2012 WVC Scholar Athlete of the Year

Dan Sheets-Polling - Lakeland College

Dan has a 3.7 Career GPA and aiming to graduate with honors in Business Management.

“Dan is a great example of not only what a Muskie should aspire to become, but also what all student-athletes should become. He works hard in everything he does and never lets his academics slip because of a long weekend tournament or bad game. He has great time management skills and fills multiple roles on campus. Dan holds two prestigious jobs as a student ambassador for the admissions department and as a resident assistant for the student life department. Dan is also the president of the Zeta Chi fraternity and a member of the Student Association. Along with his multiple roles, Dan is also a great leader on the court. He is one of the hardest workers in practice and continually works to make others around him better.”

2012 WVC Service Award

Eddie Zelhofer, WVC Advisory Committee

A quick and sincere thank you to Mr Eddie Zelhofer for his commitment and dedication to the WVC. Eddie has been the helping and supporting the WVC as an Advisory Committee member for over a decade, often through his Oshkosh Volleyball connection, but more visibly through his work as the WVC Webmaster. Eddie has turned our website into a useful and effective communication tool, and has been solely responsible for our results and standings for the past 7+ seasons. This year he took the initiative to begin compiling our archives online, as we attempt to record our 21-year history for others to enjoy. In addition, Eddie “sold out” to social media, and found a way to get everyone connected through the WVC Facebook page. And he helped many teams get their sites started as well. Eddie has also worked to keep the “alumni tournament” alive and provide a much needed voice of reason to the Advisory Committee. Eddie is one of the people who you can both count on to get a job done, but more importantly, figure out the job that needed to be done in the first place. Thank you for all you do, and most importantly, thanks for all the work you will continue to do for the WVC!
